MADE IN NEW ZEALAND. BUILT FOR PRECISION.

- > 7' x 3'6" 19mm thick slate bed table designed for true and accurate tournament play.
- > Regulation pocket cuts and playing surface to Clubs NZ 8 ball specifications.
- > Fitted with Strachan 6811 Olive green tournament cloth.
- > Aluminium edges and stainless steel corners for strength and durability.
- > Strong and rigid internal base made from New Zealand Plywood.
- > Hard wearing formica base and top rails.
- > Fast and easy to set up and dismantle, legs and accessories stow away inside base for easy transportation.

Because of its excellent response and accuracy, our Tournament table model is regularly used by professional pool players participating in some of New Zealand's top competitive tournaments like the 8 Ball Nationals and the NZ 8 Ball Super League. This model comes standard in black but we can personalise the base and cloth to a colour of your choice.
