* This package is a suggestion only. We will happily customise to your exact preference!

This traditional style table features elegant turned legs with complementary moulded edges on the cushion rails and fitted timber mouldings on the table frame and cushion panels. Exposed top fitting pocket brackets and adjusting feet in your choice of brass or chrome, finish off the well balanced detailing.

Quality Solid Timber construction - no veneer or fibreboard - with 17mm construction ply internal frame bracing.

Your table has a 19mm thick one piece slate bed and with our unique construction means that this table can be fully finished in our factory and then partially disassembled for transport anywhere.

Reassembly is a simple to follow 10 step procedure that any competent DIY person can easily do if necessary.
