"GOVERNOR" Coin Operated Pool Table

- **OIS*** Original Italian Slate bed
- Premium English 'Strachan' 30 oz cloth in green, blue or burgundy
- Quality Full Size cushion profile for maximum response and accuracy
- Solid and simple internal ball rails for trouble free operation
- Reliable "Simplex" coin mechanism

* **OIS** is the Premium brand of Italian Slate

The "Governor" has established itself as the benchmark against which other coin operated tables are judged. Maximum player satisfaction from this Competition standard table means maximum revenue and excellent build quality and easy servicing means minimum cost of ownership. The best in the long run!

All engineered components made from heavy gauge steel, mig welded and powder coated or electro zinc finished. "Simplex" coin mechanism fitted in your choice of \$1 or \$2 operation.

Your table has a 19mm thick one piece slate bed which is precision manufactured in Italy and is the industry standard worldwide. One piece slate and our unique construction means that this table can be fully finished in our factory and then partially disassembled for transport anywhere. Reassembly is a simple to follow 10 step procedure that any competent DIY person can easily do if necessary.

Top rail in hard wearing Victorian Ash with bolted cushions and easy assembly for fast efficient on site servicing. Light maple stain is our standard finish but we can customise to your preference.
